PRADHAN MANTRI FASAL BIMA YOJANA (PMFBY) - OPERATIONAL GUIDELINES

SUPPLEMENTARY REFERENCE - Compiled from Official Government Portals (November 2026)

Ministry of Agriculture & Farmers Welfare, Government of India | Level: Central | Category: Agriculture & Insurance

Official Portal: https://pmfby.gov.in

1. Overview & Objectives

Pradhan Mantri Fasal Bima Yojana (PMFBY) provides comprehensive crop insurance cover against non-preventable natural risks from pre-sowing to post-harvest stages. It aims to stabilize farmers' income, encourage adoption of modern agricultural practices, and ensure flow of credit to the agriculture sector.

2. Premium Rates & Subsidy

- Kharif Food & Oilseed Crops: Maximum 2.0% of Sum Insured paid by farmer.
- Rabi Food & Oilseed Crops: Maximum 1.5% of Sum Insured paid by farmer.
- Commercial & Horticultural Crops: Maximum 5.0% of Sum Insured paid by farmer.
- Balance premium is shared 50:50 between Central and State Government (90:10 for North Eastern States).

3. Eligibility Criteria

- All farmers including sharecroppers and tenant farmers growing notified crops in notified areas.
- Mandatory for loanee farmers availing Seasonal Agricultural Operations (SAO) loans from financial institutions (made voluntary post-2020 revision).
- Non-loanee farmers may opt-in voluntarily with land ownership/tenancy documentation.
- No minimum or maximum landholding ceiling; no income ceiling.

4. Required Documents Checklist

1. Aadhaar Card of the farmer.
2. Land ownership record (RTC / RoR / Land Possession Certificate / Registered Tenancy Agreement).
3. Sowing Certificate / declaration issued by Patwari / Village Agriculture Worker.
4. Active Bank Account Passbook with IFSC (Aadhaar linked).

5. Application & Claim Procedure

Step 1: Apply online through the National Crop Insurance Portal at https://pmfby.gov.in or through banks / CSCs.
Step 2: Enter Aadhaar, bank details, crop details, and survey/khasra number.
Step 3: Pay farmer share of premium within cutoff date (usually July 31 for Kharif, Dec 31 for Rabi).
Step 4: In case of localized calamities (hailstorm, landslide, inundation), report loss within 72 hours via Crop Insurance App or toll-free number 1800-180-1551.
Step 5: Assessment conducted by Insurance Company and Revenue officials; claim credited directly to bank account.
